

# MASSILLON WON

Over the Columbus Panhandle Team by

A SCORE OF 13 TO 4

Again the state championship stays in Massillon. In one of the greatest gridiron battles ever seen in that city the wonderful Panhandle team of Columbus was defeated by the score of 13 to 4. The game was replete with accidents. Ted Nesser the star player of the Columbus team, formerly of the Tigers, had his arm broken near the wrist. Massillon clearly outweighted the Columbus team and had Nesser remained in the game the result might have been different. He was injured at the end of possibly the most brilliant play of the game. Although the crowd numbered considerably over 3000 the interest manifested before the game was nothing compared to the intense excitement of a year ago.

Throughout the first half the teams battled in vain for supremacy of the state of Ohio. As the whistle blew for the end of the half it seemed that the Columbus team had had the best of the game for the score stood 4 to 2 in its favor. Try as they would throughout the half Massillon was unable to force the ball over the goal. Twice the pigskin had been taken to within a yard of the goal by the speedy backs of the Massillon team but at those junctures Columbus always took a brace and the mighty plunges Miller, Featheringham and Riley were unavailable before the stone like line of the Panhandles.

Massillon's two points in this half came from a touchback. The ball was dangerously near the Panhandle goal. When the ball was passed it went behind the goal and in a twinkling a Columbus player pounced upon it and the score stood 2 to 0 in favor of Massillon. The ball was taken out to the 20 yard line and kicked. Carlisle recovered the ball for Columbus and with clear field he tore off towards the goal. Like a flash Riley was after him and the two players raced down the field alone. As Carlisle neared the goal Riley by a mighty leap caught him. On the next play Ted Nesser took the ball to the 20 yard line. From there at a difficult angle Frank Nesser booted the ball squarely over the crossbar by an excellent place kick.

During the entire half Massillon was by far the greater ground gainer, it was impossible for them to score. A critical fumble or a great brace on the part of the Columbus team was always sure to spoil Massillon's chances for a touchdown. Things looked somewhat gloomy for the Massillon fans when the half ended with the score 4 to 2 in Panhandles' favor.

It was in the second half that Massillon's superiority of weight against the crippled Columbus team was shown. The Columbus team had been deprived of the services of the great Ted Nesser, who was forced to quit the game in the first half. With a great show of speed they started on and the crowd keyed up to a pitch of excitement went wild when after the terrific plunges of Miller and a great run by Rhodes of 40 yards, Riley was sent around the end for the first touchdown of the game. Bast kicked goal. Score, 8 to 4.

The next touchdown came near the end of the game. Featheringham carried the ball back 30 yards on the kickoff. The ball exchanged hands several times but the steady march down the field of the Massillon team could not be checked and Riley went over the goal line for a touchdown. As he fell over the line, he fumbled the ball but Quarterback Bast recovered it. Bast failed at goal and the score stood 13 to 4, the final result. The Columbus team was fast weakening. Spier the crack quarterback of the Panhandles, received a terrible blow on the head that disabled him and his place was taken by John Nesser. The team seemed to be unable to keep up the fast gait that Massillon was setting and on the kickoff Parrott ran the ball back 40 yards. On the next play on a great forward pass he carried the ball 30 yards farther. But here the game ended with Massillon again the victor.

It was an ideal day for the game, in fact never in the history of football in Massillon had there been such a day for a championship contest of its kind. The field was hard and dry, just what was wished for by the Massillon team. In speaking of the game yesterday Coach Wightman of the Massillon team said that victory depended solely upon the condition. The fans turned out in large numbers for the game although nothing at all like the great game last year.

The gates were opened at 12:30 and

even then the spectators began filling the park, lining the standing room along the side lines. At 2:30 the game began and by that time it is estimated that the crowd numbered 3000, the largest attendance by far to any football game of this season in Massillon.

The betting was far from brisk. Money was hard to find, but what was put up was wagered even. Some speculation was had upon how much excitement the game had stirred up in the city and frequent wagers were made that the crowd would not exceed in numbers 2500.

THE LINE-UP:

Massillon—13 Columbus—4  
Rhodes.....LE..... Schenck  
Wittman.....LT..... P. Nesser  
Haag.....LG..... Henry  
Shirling.....Center..... Kortzinger  
Boomer.....RG..... Reagan  
Crookston.....RT..... Carlisle  
Parrott.....RE..... Davis  
Bast.....Q..... Spiers  
Riley.....LH..... J. Nesser  
Featheringham.....RH..... T. Nesser  
M. Miller.....FB..... F. Nesser

Substitutions—Oetz for Featheringham, Ames for Crookston, Dreher for T. Nesser, J. Nesser for Spiers, Burton for J. Nesser, Umpire and referee, (alternating)—Wittman for Massillon, and Jones for Columbus, Tinner—Coleman, Head line-man—Baltely. Time of halves—25 and 30 minutes.

For Massillon, Mully Miller was the real star. His terrific thunderbolt plunges were just a little too much for even the stonewall line of the Columbus team. Time after time he would bore and wade his way through the surging mass of warriors none being able to stop him until he ripped off huge gains. Riley, too, was in the game at every stage, adding the ends or starting on the defense. Rhodes, Massillon's young end, played the game of his life. His punting carrying the ball being equal to his great defense work. Parrott and Shirling the two "ringers" on the team, showed up good as in the days of the Tigers.

For Columbus Frank Nesser was the star, his place kick being the feature of the game. His line backs were almost equal to those of Miller. Spiers played a good game at quarter. Carlisle's work was excellent. His long run in the first half nearly being Massillon's downfall.

## FRANKLIN A. C. TEAM

Defeated Canton Indians in Hard Game at Fair Grounds by Score of 15 to 0.

The Franklin A. C. of Cleveland yesterday defeated the Canton Indians at the Stark county fair grounds by the score of 15 to 0. The game was the roughest of the season. The Cleveland team played dirty ball throughout the game and the result told on several Canton players. Oberlin was laid out but tried to finish, when one of the Cleveland players jumped on him and hurt his side, forcing him to retire. Dewell finished the game in his stead.

The first half was hard fought, Cleveland scoring a touchdown on a forward pass. Canton took the ball from the center of the field to the one yard line and on the deciding down fumbled it and Cleveland kicked it out of danger. They scored twice in the second half; once on a forward pass and a return punt. The Cleveland referee was the worst seen in town this season and helped the Franklin A. C. as much as possible in winning the game.

There were several slugging matches in the game, one when R. Horn hit Paul from the back, and Zettler knocked him down for it. McDermott's kicking was a feature of the game, his punts being from 50 to 70 yards. Meyers also showed up well in running back punts but could not overpower Page in head work. The lineup:

## BROKE EVEN

Did Canton and Akron in Yesterday's Roller Polo Game

### SCORES: 5 TO 3; 4 TO 3

Canton and Akron broke even on the day's polo games yesterday. In the afternoon the local team was defeated by the score of 5 to 3 in a fast game. In the evening at the Auditorium they got revenge by winning 4 to 3, but they had to play their hardest to get it. The game was very close and was not marked by gentle playing. The Akron and Canton teams play the roughest games played in the league when they get together for some reason or other and the game last night was no exception. Hardy fouled twice and Pop Roberts received one.

The game was not what the score would indicate and it was a lucky game with fortune on the Akron side. Their first two goals were made by the merest accidents. Williams was credited with a goal but really it was Bannon that made it. He stopped the ball but lost it in the padding on his feet. Williams saw it and pushed it in the net. Then the second one was still luckier. Roberts drove the ball weakly toward the Canton goal and in trying to push it away with his club Bannon misjudged it and the ball rolled into the net. The other goal was a clean shot by Roberts.

Long was in Harkins' place at second rush and had chances galore to cage the ball and made good with the fans. He played good polo however, ad made two of the four goals, one of them winning the game for his team. But Harkins was much misused as he and Mercer are a pair of rushes that are the premier in the Interstate league and they work together like a machine.

Several times it looked like sure goals but the ball escaped the net. Once it was in the cage but rolled out quite gracefully. Both teams were somewhat tired by the hard game of the afternoon but it did not appear so until the last period when the fierce playing took a slump. Both goal tenders did excellent work and Cashman for Akron played great polo as did Bannon, with the two exceptions when the visitors made their first two goals but such occurrences

will happen to any one and the way he defended the cage afterwards more than made up for it. The game started with Mercer making a beauty of a goal after five minutes of play. One minute later Williams made his lucky goal and two minutes later Roberts made his goal from way down the floor. The second period was noted for its fierce playing. The only thing that counted in the period was a goal by Mercer that tied the score. The third period had proceeded but three minutes when Long put the ball in the cage and Canton once more was in the lead. Three minutes later Roberts tied the score again and four minutes after that Long caged the winning ball. Lineup and summary:

Canton—4. Akron—3.  
Mercer.....First Rush..... Williams  
Long.....Second Rush..... Roberts  
Hardy.....Center..... Miller  
Carriagan.....Halfback..... Lyons  
Bannon.....Goal..... Cashman

Rushes—Mercer 6, Williams 3, Stops—Bannon 41, Cashman 35.

Mt. Union Won.  
Special to Morning News.

Alliance, Nov. 28.—Before a crowd of perhaps a thousand spectators, the Mt. Union college football team defeated the strong Ohio Northern university team at Hartshorn field by a score of 52 to 0. While the visitors out-weighted the Mounts, they were unable to cope with the speed displayed by the home team. Thursday's game closes the season for Mt. Union which even has made a remarkable record which places it in rank with the best collegiate teams of the state.

## CANTON HIGH LOSES

Youngstown, Nov. 28.—Canton High was decisively defeated here today by Rayen High by the score of 35 to 9. The visitors were unable to break into the game for any substantial gains while the local eleven did things to Canton at will. The visitors put up a stiff fight but the Rayen bunch was too much for them in weight and in skill. Rayen claims the state championship for High school elevens.

Kauffman Defeated Jack (Twin) Sullivan.

San Francisco, Nov. 28.—The heavy-weight fight at Colma this afternoon between Al Kauffman of Frisco and Jack (Twin) Sullivan of Cambridge, Mass., went to the limit and resulted in a decision for Kauffman at the end of the 25th round. Sullivan showed far more skill in boxing and greater gameness, but this could not counteract the superior strength, reach and weight of Kauffman, who was fully 30 pounds heavier than Sullivan. Up to the end of the tenth round Sullivan had the best of the fight. After the tenth Kauffman's superior strength began to tell. Kauffman made a better showing than in any of his other fights and is anxious to meet Tommy Burns. The gate money amounted to about \$4000.

Marines Out for City Championship.  
The Canton Marines issued a challenge to any team in the city for a game either next Sunday or the Sunday following for the championship of the city. The Marines dispute the claim made by the Canton Indians to the championship, claiming as much right to it as any team that has played this season. They are willing to play for any amount of money or just for the championship honors. Any team wanting games should address Fred Rapplier, secretary of the Marines.
